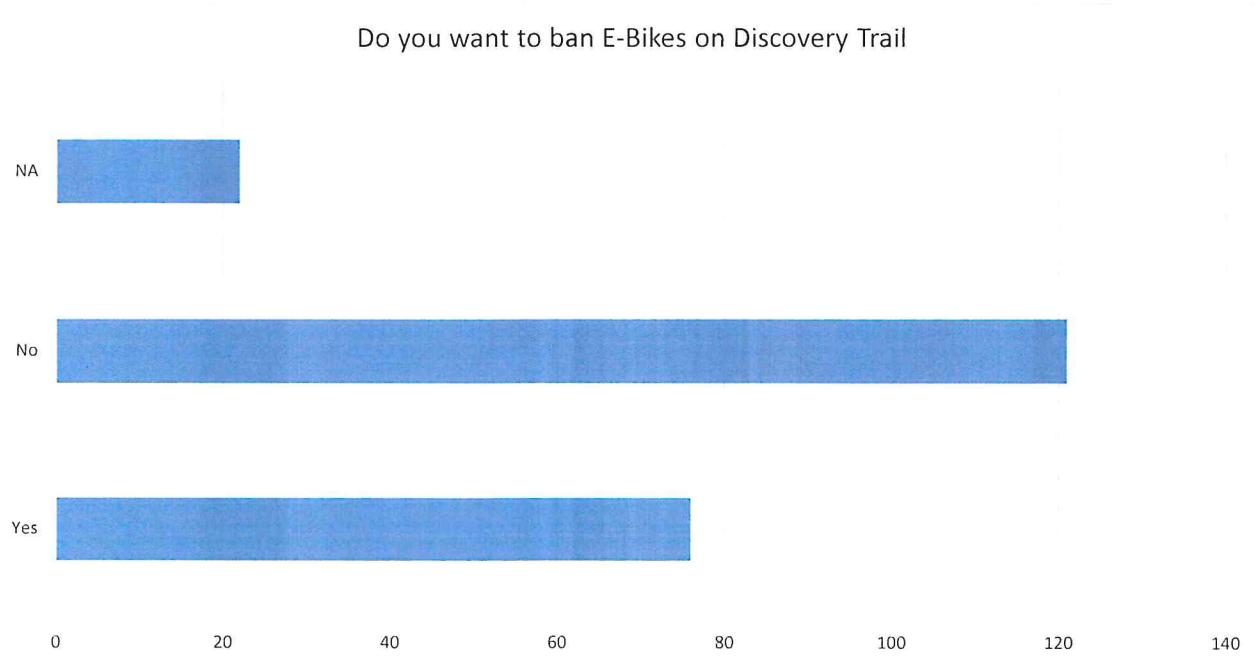
Do you want to ban electric bikes on Discovery Trail?



35% Want to Ban, 55% don't want to ban, 10% are NA

What is the most important issue to you?

Ability to generate income through homes & Property - Definitely need Air B & B options in LB
adherence to constitutional rights and god given natural rights. No more masking, lockdowns or vaccine mandates
Affordable housing availability and the undrinkable city water
Affordable Housing for workers - Electric bikes on Discovery Trail
Affordable housing for working wage folks! Too many people renting through airbnb taking up affordable housing!
Affordable housing jobs - school quality - fireworks - streets
All motorized vehicles on trail present a hazard
Allow firework sales on July 4th
Allow firework sales on July 4th
Allowing all of Long Beach to be able to rent out their properties - fix road on 2nd leading to the park is a mess. Watched adults and kids fall from the mess it is in. Between Washington and Oregon!
Allowing folks to invest in a home here and vacation rent it if they choos to; it's ok for folks to make $$
Allowing rentals short term would be nice.
Allowing Vacation Rentals
As a newer resident our family feels very unwelcome by the older community members that complain about everything that is Long Beach.
Available food for tourist
Avoid polarizing politics
Bad water and prices keep going up
Ban electric bikes on Discovery Trail - Limit Vacation Rentals
Ban fireworks limiting the # of days will do little to solve the problem.
Ban fireworks to the beach only
Banning fireworks 4th of July - very dangerous on the beach that whole week!!!!
Being able to rent out the back portion of my house & Cottage
Better enforcement of speed limits on the beach, hwy 101, sandridge and pacific ave
Bring more businesses and money to Lon gBeach by allowing more vacation rentals so people can come visit
Burglary
Business interests need more emphisis. The Council seem to drag it's feet on some business issues.
Business, July 4 fireworks should be banned

What is the most important issue to you?

Charging business owners a tax who work from home and do no business in the city
Cleaning up dilapitated run down & junkyard style properties
Crime
Crime (Low)
Crime, cleanliness/blight
Decreasing crime and drug use
Different leadership, the Mayor
Dog control STRICT LEASH ENFORCEMENT
Don't have big issues with city
Drug deals vagrancy. The water and sewer bill is excessive and difficult for seniors
Economy & Housing
Electric Bikes are a accident waiting to happen - it only takes a bad accident to ruin it for everyone
Eliminate 4th of July open fireworks
Encourage lawn mowing. Lost of folks come down and spend $$ on fireorks $$$$ means jobs for folks who live her.
Enforce the leash law! many dog owners carry leash and allow dog to run free
Equality to all
Equine beach both road needs shoulder wider and signage
Exorbatant rates for water, sewer, storm drain (none on my street) and tax on non existant storm drain
Fairness to home owner & businesses. I feel it is not fair to all - just some
Fairness toward all people in LB Rules are not in force the same to all
Feeling safe
Find a way to lower utility cost to home owners
Fireworks
Fireworks - disruptive events eg excessive sale of fireworks, rod run. Affordable housing for wage workers
Fireworks Ban Use -Sales
Fixing and Widening Boulevard. Start at N End
food trucks should not be allowed if they are they need a pacific county home address.
Funding for the city

What is the most important issue to you?

Garbage along main roads. Don't see police late at night when I'm coming home!
Getting the pond in the back yard cleaned and not letting a trailer park being put in off pioneer st?
Good Law Enforcement and supporting local business
Good Policing
Growing homelessness
Growth - in a sustainable, positive fashion
High water ratees & taxes
HOMELESS - NEW BIKE PATHS
Homeless Issues
Homeless people
Homeless people and vacant old businesses
Homeless People Camping and leaving garbage
Homelessness
homelessness - more / better / safer bike paths & access (not motorized)
Housing availability
I am always disappointed to be paying so much for water / sewer & storm water. Many times very low water usage is due at our home.
I think electric bikes need to have a speed limit.
Ilike how the town has cleaned up. It would be nice to have a little more activities and entertainment options but would hat to see it become like Seaside, OR
Illegal drugs
Improve boardwalk, keep crime low, encourage tourism maintain public utilities
Infrastructure - water & sewer
Involving the City? Pot holes and tax too many old mobile homes.
Is Good
It would be nice if someone would pickup the horse poop a few times a week - The horse poop makes the water gross. Why is the beach a horse litter box?
It's dirty, zoning iis poor, cops seem to not want to be bothered, seems like city only wnats to help certain business owners not residents
Keep beaches open to all recreation; driving, clamming, fishing, bikes, horses, dogs, campfires.
Keep town clean and welcoming and keep out vagrants camping at approaches on our streets in old trailers/motorhomes
Keeping City well managed & to allow rentals to continue in Long Beach as it brings in tourists money to the city

What is the most important issue to you?

Keeping crime & homeless to a minimum. Also electric bikes on Discovery Trail are dangerous!
Keeping fireworks! Do net let idiotic people take away our right to enjoy them!
Keeping Long Beach beautiful and low key - no highrises - no chain restaurants
Keeping old and new events alive
Keeping prices down
Keeping the city clean - city guys do a great job! Love the July 4th fireworks!
Keeping the city safe and clean!
Keeping town safe and clean and utilities affordable
Keeping utility costs down. No on Vacation Rentals anywhere in the city
Lack of enforcement regarding rv/motorhomes staying longer than allowed at residences. Illegal camping.
Lack of enforcement, speedeing more, blocking streets large and increasing larger crowds, too few police increasing dnagerous situations
LB City - I am just a few blocks off boarder and would like options
LIMITING FIREWORKS
Limiting fireworks to the beach only. Renters in neighborhoods aren't accountable.
Limiting the number and location of short term rentals. A space # per neighborhood
Limiting Vacation Rentals to a arger distance between
Limiting/prohibiting everyone converting their homes into short term vacation rentals. No!
Limits to vacation rentals and oversight - Affordable housing - not subsidized housing - that wont turn into dumps.
Lower water bill
Maintain vacation rentals
Maintaining the Discovery Trail - keeping the trail surface traveable by bike and walking and keeping the trees cut
Maintaining, protecting integrity of Long Beach community: restrict drones, electric vehicles/continue to protect eco systems
Meth Addicts
More Park Ranger services on the beach - Too many speeding cars. A child is going to get hit despite numerous pets
More traffic control in the city, no overnight parking by the DSHS office/Head Start school

Must not have weekend home rentals. No Driving on beach Seaview to Bolstad approach - City Water - 4th Fireworks fire hazard

What is the most important issue to you?

My husband is disabled & rides his electric assist bike everyday on the trail - Please don't ban

Need housing for employees who move to area for jobs - especially health care / behaviorial health

Need to get rid of beggars, homeless camps

New building and permits and compliance inspections - loud barking dog nuisance

New city officials and stop overcharging water!!!

No access to city sewer, flooding bc neighbors building higher sidewalks 7 bike lanes.

No Change to Fireworks Laws

No Fireworks in City of Long Beach - More long term rentals

No tent dwellings in beach woods

Noise

None

Not limiting short term rentals the peninsula depends on tourism!

Over crowded - locals have no space

People being able to feel safe - to not be fearful of crime

Pettie Thieves, The druggies across the street that drive like an a-hole past me daily

Please send envelope with water/sewer bills!

Police protection

Policing cars on Beach. To many cars going way to fast, police it and write tickets

Preserving the fragile ecosystem of the peninsula

Prevent the homeless from gaining a foothold on the peninsula

Prices keep going up but not my wages. Getting harder to survive.

Prop taxes

Remembering residents who live here are the most important voices

Rentals in a residential neighborhood, especially the amount allowed

Revitalize downtown with development guidelines for improved appearance - earth quake and tsunami preperation

What is the most important issue to you?

Safety
safety
Safety
Safety and cleanliness *no trespassing, dumping, break-ins) respect for private property
Safety and keeping property value up.
SAFETY AND NO HOMELESS CAMPING AND SECTION 8 RENTALS, NO PROBLEM 4 LONG TERM RENTALS
safety in life and property
Sewer Bill Too High
Speed limit on Discovery trail
Stop trying to stop or hinder vacation rentals. There are not enough hotels to accomodate families.
Taxation is quite high
Taxes
Taxes
That the Mayor overtakes council meetings and doesn't let c ouncil make decisions
The city loosing home town feel
The quality of drinking water
Theft and break ins have escalated on the peninsula
Theft of property

To have a great city that is managed well, merchants happy, lots of tourism, alot of activities for peope to come to!
To keep rentals tightly restricted. Keep quality of life a priority over landlord profits
To much control from new residents
To not charge so much on base fees.
Tourism
Tourism

Tourist attractions being cancelled etc (fireworks etc) We need these different events to survive

What is the most important issue to you?

Trail condition and extension

Transparency and fiscal responsibilty - high marks on both issues, keep up the good work

Tsunami evacuation for locals & tourist & supplies to last till outside help arrives

Tweekers

Unkept houses / yards

Vacation rental zoning

W/S Bills are too high

Wages

Water / Sewer rates (kudos to the worker who mows around our lot)

Water bill seems high

Water bill too high and trees vs. homeless people & drug people

Water pressure is too low

Water Quality and Taste

Water rates, they are ridiculous

Water. You raise the water rate for bad water. I have to buy water to drink and cook with. How dare you

We need a yearly account on water/sewer city expenses. Yearly statement to justify water/sewer rates

Worked with his supper table since demise of a viable program for many homeless

Worker and affordable housing, homelessness and poverty her.

Would be nice if H2o bill didn't have a minimum fee

Zoning laws

Zoning, VR would love to see more outright allowed areas, also understand others needs.

Do you have any experience/issues with homeless people in Long Beach?

1 homeless under the boardwalk sleeping
2 years back in the woods s. of our house
A deaf man knocked on my door a month ago with a sign asking for money. He didn't seem threatening.
A few in the dunes - have not had issues with them
a little
Begging because to lazy to work
Coming onto the property & looking through things.
Concerned about confrontation will eventually happen and will negatively effect tourism.
Do not allowed to camp on city property
Do not want to see them here!! want it enforced!
Do you mean drug vagrants?
Experience - Yes - Issues - I just wish there was adequate shelter
finding campsites, debris in wooded areas of our property
Homeless & Meth addicts are 2 dif issues. Address the Meth
I have issues with homeless abusing people, facilities etc in all cities
I think a homeless person knocked on my door while I was painting inside and he asked for work. I was alone and it sdcared me - thank goodness the door was locked.
if was a good feeling to see the looks on faces of homeless when ... taking of meals provided.
I'm noticing more and more of them as we "get discovered" I have not been accosted by any but it's an ugly look
It is a problem, it will get worse quickly if not addressed soon
It may scare people off if in town with just hanging around - pan handling
Just a few incidents with them coming into my business
Just seeing more of them which raises concern with my safety whein i'm walking alone
Keep them out. More breakins
My concern is for people needing more available housing. Some homeowners are housing people temporarily

Do you have any experience/issues with homeless people in Long Beach?

65 No
No - but just outside
No - I hope it stays that way
No - not yet
No direct experience - we are there infrequently
No Experience
No Not yet - we aren't there very much
No, but we should approach this issue with compassion, patience and understanding
No, I have seen them but not interacted with them
No, Just see some and don't like it
No. City does good job of keeping it to a minimum
NONE
None
None
None
Nope - just the well know drug dealers on 13th SE
Not Bad
Not like in the big metro areeas, but there are some sketchy neighboring houses which tend to have transient trailers
Not much
Not Really...still need to lock up at night.. keep the summer events coming, $ for tourism helps.
not so far
not to much
Not too much - feel bad for em in the winter for sure.

Do you have any experience/issues with homeless people in Long Beach?

Seem generally polite. need to provide sheltor and affordable housing
Seems to be a lot of crime going on, petty theft. They are bold.
Several
Some can make me uncomfortable while with my children
Some illegal parking
There are a few and we need to keep that in check. Do not want to be like Longview for sure
took in a homeless family, lots of fighting/damage - finally kicked them out after 6 months, never again
Very few homeless people.
Very few overall
Very Little
Volunteered with OWLS - we had hardly any clients on a nightly basis, current situation doesn't merit a stand alone building as proposesd by poverty response.
We have had them camped on our property and almost impossible to get squatters to leave
We have not
We havenot had any issues
We want homeless shelters. We need to help these people out.
Would prefer we didn't have them or provide for them. Providing services brings more.

*business - not resident

1st question - It already allows monthly! you must mean short term < 30 days

21 Year Property Owner

2nd Home

2nd Home

2nd Home

All of the staff is great

Bring back skate park for kids. If language was a problem maybe locate it on other side of tennis court. Dog Park for dog owners and people that bring their dogs to Long Beach

By state law, bike paths are restricted to specific classes of electric bikes. we should enforce that. bikes that operate throttle only and go above 20 mph should not be allowed

City Appearance - I've notice new shops in town and a few new places to eat. It all is a nice addition to the area! We enjoy the down to earth environment.

City managed Ok if home rentals are increased

Close to beach ok, but maintain neighborhoods for locals on east side of highway - weekenders for 30 years

Conduct more education and outreach about how the tsunami warning sirens are used. I wouldn't know anymore if an actual tsunami was occuring.

Council Meeting for info

Crime is increasing - Is there a way & would it work to approve this temporarily just a small area and see how it works 1st.

Disagree on Vacation Rentals with Good ol Boy Zoning Changes

Discovery Trail should be open to all individuals. Seniors and handicapped may require electric vehicles to enjoy trail amenities. They should Not be banned!

Does health department check the ocean water?

Don't live in Long Beach

Any other comments

Downtown appearance is great other business need to improve facade along Pacific - North and South of Downtown - Need to find balance on Vacation Rentals

ebikes - where else would they ride-in the road dangerous

Electric Bike - Safety issue for persons on bikes and for walkers. Bikes go too fast to handle turns at higher speeds and I have experienced near misses. I tested a bike 2 years ago, fell when I took a sharp turn and ended up at the hospital - cut.

enforcement issues - dog leash law, 4th of July issues - Did not know that monthly rentals were not allowed

family owned since 1986 beach house

House has been in family > 70 years

I do not want vacation rentals in Long Beach. Only Long Term Rentals. This is whats needed.

I don't know what the number is as far as LB police officers, but I hardly see any kind of traffic control as you come into LB from the north or going north where the speed limiit is 35mph. I think alot of students driving fast in the morning to school is

I don't want to see vacation rentals at all

I think electric bikes are a good thing & many people enjoy riding them. I can see where there needs to be some kind of "Something" where kikers and pedestrians can enjoy the trail together. We really enjoy living here, will check out city website & FB

I want the city to solve problem the water flood on all area in downtown. Some area of the road it have water flood for long time

id like to see police respond to calls, zero homeless camps. I like coming to Long Beach for cleanness, calm, friendly, safe atmosphere.

Is there not some rentals now? These should not overshadow Long term Rentals

Katie is great delt w h20 bill - changes benefit biz more than residents

Keep zoned rentals. Do Not add additional monthly rentals.

lives here part time

mailed this because we do electronic bill pay.

maybe a 20% vacation rentals to 80% long term or full time homes? The city may need to hire someone to make sure vacation homes are up to code.

Monthly rental are already allowed!

Never see police

news from neighbors and friends
No Ebikes on Trail - Limit fireworks on July 4 to City Display - Better tending of Discovery Trail - Trees trimming, trail upkeep - Local government has the local constituency in mond not just the tourists - Thanks for asking
No rezoning!
No Rv's parked in yards or driveways for renting.
No vacation rental at all
No vacation rentals between 51st and Sid Snyder, west of Pacific hwy! - Electric bikes and scooters and skate boards drive too fast on trail. Dangerous for walkers and dogs- Close the beach between Seaview & Bolstad year round. Cars drive too fast.
Our home is a vacation rental - don't live here, owned for 5 years.
Overall I think the city has been doing a good job. The downtown looks great. Rv's / motorhomes camping on Bolstad & Sid Snyder. Trailers behind his supper table have been there six years. Thanks for all the good work that has been done over the last 8 yr
Parents passed and left us the house
Part time resident
PD not friendly
Poor road drainage - why does it take 2 people to read meters. The PUD only has one. It's too bad people who live here get away with not changing their license plates
Property is always going up in value if kids can't afford the cost of water & sewer they are forced to sell what they inherit. NOT FAIR. You are shooting yourself in the foot to stop all fireworks.
Quit taking away traditions like 4th of July - Quit letting people moving here make decisions about cities future. They already made the decisions where they live before and ruined those places. Keep Portland in Portland Keep Long Beach Long Beach
receives information from the monthly bill
Residents/businesses from Sid Snyder to 10th Ave N seam to enjoy a higher visibility from LBPD
The fire department siren is alarming given that we've linestening for tsunami siren. It would be great if fire dept could switch to another form of communication. It would reduce confusion/concern especially for visitors
The trailer park is across the pond from us. Our place is our vacation place and I don't rent it out. I like the peace and quite. The pond is drain off rain water and belongs to the city. It has been eating up my property. Please take care of it.

Water Dept 5++ / EBikes must be for older adults / Just want to again thank the quick action of the Water Department when we experienced a water leak - Both the meter reader and office employees!!

We appreciate the vrbo restrictions you have in place! It provides good protection for owners who don't rent out.

We have loved this community for decades. We appreciate the leadership that respects points of view while manageing to safeguard during the pandemic. Supporting a well maintained infrastructure

We have owned this property 40 years. We have a good sized family so it gets used - but no permanent people - a little concerned about the building behind us - 3 apts?

Would like to have more VR Areas

I, along with Deputy Chief Casey Meling, attended training on the 5th. The training was put on by Washington Cities Insurance Authority and covered many new issues facing law enforcement in the state.

On April 6th and 7th Officers Jeff Cutting and Eric Cowsert attended training. This training was the "Use of Force: Core Principals" class that I and Casey Meling attended earlier in the year. This course deals with the current and emerging use of force standards in the state as well as other force related topics.

Officer Anthony Natsiopoulos attended training April 7th-8th. The course title was "Detect, Deter, and Defeat: Human Behavior Threat Analysis and De-Escalation Techniques for Law Enforcement". The training is designed so that an officer can recognize behavior cues to improve their ability to make accurate assumptions about a person's thought process, emotional state and plan of action. The course also teaches an officer methods and actions to diffuse hostilities and defend themselves without resulting in conflict or violence.

On April 12th Officer Jeff Cutting attended training. The course was an armorer's course so that Jeff can repair and maintain of our department Glock .40 handguns.

Officer Miranda Estrada attended training on April 21st. The course title was "Emotional Survival for the Female Officer". The course dealt with specific stress that a female officer has to deal with. Some of the topics covered included balancing home and career, working in a male dominated field, identifying unique stressors and dealing with burnout.

Detective Mike Parker attended training April 24th-28th. He attended the Washington State Narcotics Investigators Association training summit. At this training Mike attended many different trainings. Just a few of the trainings he attended included "Narcotics Safety and Evolving Drug Trends", "Operational Planning's, Briefings and Red Flags" and "Legislative Updates".

On the 26th Deputy Chief Casey Meling and I attended training. The training was put on by Washington Cities Insurance Authority and was an update on the many legislative changes that came out of the most recent legislative session.

On the 30th the Ilwaco Children's Parade was held. The new route, which had participants lining up out by the boat launch area and going down Waterfront Way, made things much easier for everyone involved. I had three officers working the parade. The weather gave us a break and though the crowds were smaller, I think due to bad weather, it was still a great event.

The department also assisted with a drug take back event on the 30th. We only collected about 5 pounds of medications. That is way off from what we normally collect.

Attached is a thank you email from Willapa Behavioral Health for how two officers handled a situation there on March 31st. The two officers were Eric Cowsert and myself.

Also attached is a certificate from the Washington State Criminal Justice Training Commission certifying that the police department met its training requirements for 2021. The state requires that each officer receive 24 hours of training a year. In 2021 the department averaged 46 hours of training for every officer.
