There were eight bidders and the lowest was Penney Excavating out of Battle Ground. On October 3rd the department had firearms training. We shot a "combat" type course with our duty handguns.

Administrative Assistant Jordan Allen attended training on October 12th-13th. The course title was, "Evidence Storage and Management: Operations and Best Practices." Jordan will be taking over our evidence room and this training was important for her to attend. Some of the topics covered were storage area security, integrity packaging, safety aspects and critical documentation. Operating the evidence room is one of the most critical and important jobs in the department. Loretta was our evidence technician and when she retired Deputy Chief Meling took over temporarily. Now that she has been trained Jordan will fill that role.

On October 25th I and Mayor Phillips attended a presentation put on by Peninsula Poverty Response. It was a presentation by the director of Camp Hope located in Yakima, Washington. I believe that the PPR group would like to do something similar in our area. I will await further development on this issue before giving my views on this subject.

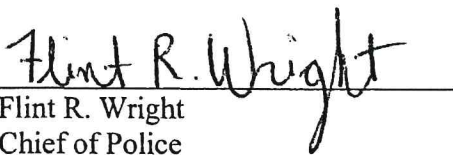

Deputy Chief Casey Meling assisted with a "drug take back event" on the 28th. Almost 12 pounds of prescription medications were taken in for destruction.

Halloween night was quiet. Lots of kids out and no problems of any kind.

I have attached a letter of thanks that I gave to Glenn Trusty, owner of Chicos Pizza. During Rod Run, Chicos donated the pizzas we order every year. This saved the city hundreds of dollars.

I have also attached a letter of thanks to Deputy Chief Casey Meling thanking him for all that he has done and continues to do for the department. Casey is someone I can count on to take on a host of different projects, some of which are very tedious. He does a great job on them all and I could not do my job without Casey backing me up.

Finally, attached is a thank you card from a nurse at Ocean Beach Hospital thanking Officer Miranda Estrada and Officer Jeff Cutting for their assistance dealing with a mentally ill patient who was very disruptive and combative in the emergency room. I was also involved in some of the numerous calls to the emergency room involving this person, as was Officer Chris Story. Deputies from Pacific County helped as well.

Glenn,

I wanted to thank you and Chicos Pizza for the donation of the pizzas for the officers during Rod Run. It was so gracious of you to do this, and I really appreciate it.

I have enclosed two challenge coins as a gesture of appreciation. Please give one to Chicos for me and the department. The other is for you.

You and Hillary do so much for this community, and it is something that you both should take great pride in. It is people like you two who make this community thrive.

Thanks again.

Ref.: Thank You

Casey, I wanted to take a moment to officially thank you for all the hard work you do for me and the department. You have taken on so many projects that it is impossible to list them all but here are just a few:

- Purchasing and installing the in car and body cameras.
- Setting up the training for those cameras.
- Moving over the evidence from the old evidence room to the new.
- Organizing the new evidence room.
- Ordering and setting up the new patrol vehicles.
- Doing extensive background investigations on new hires.
- Setting up the training for Tasers and Defensive Tactics.
- Monitoring changing laws and making sure our policy manuals are kept up to date.

These are just a few of the projects you have taken on. I could not be the leader I am without you having my back in these and so many other areas. I appreciate all the hard work you have done and continue to do.
